Dear Committee Members,

I am submitting this documentation for your review. I strongly believe and have evidence to prove that FedEx Express, the Memphis Airport Authority, the FAA, and the FBI are attempting to hide a defect with a new runway at Memphis International Airport.

The evidence that the FBI is involved is the strongest. I have included it here with this document. If you would assign someone to consider this documentation, I would like to have an opportunity to discuss it with them.

Thank you.

Sincerely,

Guy Cobb
