Mr. Guy Cobb
8715 Macon Road
Cordova, Tennessee 38018

Dear Mr. Cobb:

I have reviewed your request for records relating to the death of George Sturghill on January 31, 1975.

The District Attorney General's Office did not handle this matter when it happened. Therefore, we are not in possession of any records relative to it. There is nothing for this office to re-open or re-examine.

If you have information regarding a crime, you should contact the Memphis Police Department or Shelby County Sheriff's Office, depending on where the crime occurred. They are the appropriate agencies for all criminal investigations. If someone is arrested for a state crime, it would be the responsibility of this office to prosecute.

Sincerely,

AMY P. WEIRICH
District Attorney General
